PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the Production Center 1P1a.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

This army barracks is located adjacent to the western side of the Kaliningrad/Lugovoye Airfield, 3 kilometers (km) east of Kaliningrad Army Barracks Rozen, and 8 km southeast of the center of Kaliningrad (Figure 1).

This installation covers approximately 500 acres and contains 14 barracks, 3 administration buildings, 4 vehicle/equipment storage buildings, 3 vehicle/equipment maintenance buildings, 10 storage buildings, 8 support buildings, 2 wheeled-vehicle driver-training areas, 2 small-arms ranges, an obstacle course, a 6-gun AAA site, an athletic field, a parade field, a

possible amphibious training area, and 3 areas of unidentified activity (Figures 2 and 3).

No major changes have been observed at the installation itself; however, the facilities around the installation have been increased considerably.

25X1D

DESCRIPTION OF INSTALLATION

Railroad Service

The Kaliningrad-Gvardeysk rail line passes adjacent to the driver-training course located in the southern portion of the area. A possible off-loading point is located in Area A.

Road Service

Primary and secondary roads from Kaliningrad serve both the airfield and the army barracks.

Aircraft Landing Strip

Kaliningrad/Lugovoye Airfield (BL [REDACTED]) is located immediately east of the installation.

Administrative and Troop Housing Area

Area D contains 13 multistory barracks, 1 barracks/administration building, 3 administration buildings, 3 large vehicle/equipment storage buildings with a court in the center (2 sides 300 by 60 feet and 2 sides 120 by 60

feet), 1 irregular-shaped vehicle/equipment storage building (base 300 by 60 feet and 2 legs 120 by 60 feet), 3 probable vehicle/equipment maintenance buildings (one 150 by 80 feet and two 300 by 60 feet), 10 storage buildings, and 8 support buildings.

Other Buildings and Facilities

Area H is an old fort. Trackage indicates that there is some type of activity (possibly storage).

Equipment Storage/Maintenance Area

See Area D.

Athletic Fields

Area K1 is an athletic field.

Area K2 is a probable parade field.

Small Arms Firing Ranges

Area L1 is a 320- by 120-foot small-arms range which does not appear to be active.

Area L2 is a 1,200- by 170-foot possible firing range.

Driver-Training Areas

Area M1 contains 3 figure-8 wheeled-vehicle driver-training courses and a rectangular driver-training pattern.

Area M2 is an irregular-shaped area containing a probable wheeled-vehicle driver-training area.

Artillery Emplacements (Batteries)

Area Q is a 6-gun AAA site. Firing positions do not appear active.

Special Training Facilities

Area S1 is possibly used for river crossing in amphibious training.

Area S2 is a probable obstacle course.

Unidentified Facilities or Tracking Activity

Area T1 is an unidentified pattern of ground scarring.

Area T2 contains a long narrow ditch and unidentified ground scarring.

Area T3 contains 6 parallel mounds and unidentified ground scarring.
